FORGOT MY PASSWORD

1. While using Google Chrome or Firefox, go to <https://identity.ati.org/>
2. Click on the "Forgot Password" link on that page
3. Enter in your email address and press "Submit"
4. Next, choose the MFA type (you will probably need to use email)
5. Enter authentication code received
6. On the next screen, enter new password

NOTE

If you did not get an MFA code OR the MFA types do not match your profile, you have either entered an incorrect email address or password. For security purposes, the system will not identify which is incorrect. Your account will lock after invalid attempts. You can contact mstic@ati.org for help or wait 10 minutes to unlock.

As a reminder, the MO site is not the same as BIDS. If you require access to BIDS, please register for a "submitter" account: <https://ati.acqcenter.com/ATI/Reg.nsf/RegPicker?ReadForm>
